

Post Assessment Work in Preparation for Final Term

Subject: Media Studies

Key Advice for Exam Preparation / Revision	<p>Every student has a Marked Work folder which contains the student's own work together with exemplar responses, Intervention ideas and Green Pen responses. Each pupil also has a folder which includes all PowerPoints, notes, and fact sheets given out from different parts of the course. These should be carefully organised into the areas covered for: Component 1 and Component 2. This is the best place to start revision.</p> <p>Each student has also been issued with 2 text books, and fact sheets for every product that have additional material to further aid revision. These include exam questions and model answers.</p>
Activities to complete	<p>Alongside all of the work covered during the course and the revision materials, students should independently access the online materials listed below. A review of each product, the context it was made in, and revision of all relevant theorists is essential.</p>
Online Resources	<ul style="list-style-type: none">- Youtube: KSI- Attitude: Online- BBC iPlayer: Peaky Blinders- BBC Sounds: Woman's Hour- The Times and The Daily Mirror online- Mrs Fisher revision
Key Reading	<ul style="list-style-type: none">- Year 12 and 13 Powerpoints- All Green Pen Intervention resources- All fact sheets
Link to Exam Board Past Papers	<p>Students have been issued with past questions for each paper by the department.</p>
