

Information to Parents / Pupils

History : Organised and Ready for Year 8 Summer Assessment

Being Organised

All students should have an exercise book – this is their most important revision resource as it contains detailed information on all of the topics covered in Year 8. If there are any gaps or topics missing from these books, then please speak to your History teacher.

Content

The topics covered during Year 8 are:

- The Stuarts & English Civil War
- Slavery
- The British Empire
- The Industrial Revolution

Revision

For the Summer Assessment students will be required to have a good working knowledge of the topics we have covered, this can be obtained through revising via their exercise books and completing the Revision Clock issued for half term homework.

There will also be a revision lesson prior to the assessment which will include a review of the topics covered and how to answer a 10 mark question.
