

# ***Information to Parents / Pupils***

## **Being Organised**

Every pupil has several past papers and a full revision PowerPoint for Reading and Writing. These resources, which contain model answers, as well as revision checklists, are the best place to start revision.

The examination papers practised are all drawn from previously used KS3 SAT papers. Pupils should refer to their exercise books and Exam Preparation PowerPoint for evidence of the necessary skills practice done to complete them.

**Reading Paper:** Unseen Analysis of 1 Fiction and 1 Non-Fiction Extract

## **Writing to Describe Revision**

Use Revision PPs and exercise book to embed skills taught through out the year, but particularly during the 6 Week Plan.
