

Information to Parents / Pupils

Geography: Organised and Ready for Year 10 Summer Exams

Being Organised

Every pupil has access to all notes in their books and will also gain access to online copies of text books and revision guides, suited to their needs thus far – Their own books are THE BEST PLACE TO START REVISION.

There are further model answers and mark schemes given by the Geography Department of St Leonard's, for each topic and they have been worked through & provided within lessons. Pupils have been given a folder and started a new exercise book for each section which is clearly labelled for both the topic and paper.

At present pupils should keep their folders and further guide at home, pupils only need to bring in their current UK Landscapes exercise books.

Content

Students are being assessed on:

1. UK Landscapes:
 - a. Rivers
 - b. Coasts

2. GCSE skills covering Changing Economic World & Urban

Revision

Students have been provided with booklets that help them to break up their revision into relevant sections using subheadings and ensuring full coverage of the content for each section

Other Online Material

Exam Board [Specification](#). The parts relevant to our course at the moment are pages: 9-11 and 19-21

Past Papers: [Past Papers and inserts for papers](#)

- [BBC Bitesize for AQA Geography](#)
- Students have set up a [Seneca Learning account](#).
- [Cool](#) Geography

With all online websites they may look at different case studies to which we studied. The case studies in your book are the ones to revise.
